Donate – we have a matching donor!

Mo-Kan Bridge Academy (mokanbridge.org) is a 501c(3) charitable organization and we are looking for donations to jump start bridge in metro KC!

An anonymous donor has agreed to match donations to our organization up to a total of \$20,000 if the donations are made between October 5, 2019 and April 30, 2020. So help move us forward by donating, every little bit will help! Don't forget those IRA Charitable donations! Do some end of year donating!

Check out our website for how to donate or contact one of your local area board members for more information. We hope those donations will get us into a facility of our own in which to offer games and lessons to both adults and youth in the metropolitan area.
