

Email Agreements pertaining to Board Resignations, Board Replacements, and Officer Resignation and Replacement. April 24, 2024

4/24/24, 7:07 PM Gmail - by-laws

I've just realized I am in violation of our bylaws-no director shall serve more than two consecutive 3 year terms. I am in the start of a third term. Therefore I am withdrawing as a board member, but will remain in office as Secretary-Treasurer until such time as the Board votes me out of that officer position.

I would like to nominate Patrick Moylan as the third director for the remainder of the 2024-2025-2026 term. I realize I have no say in the matter but ultimately I would like Patrick to be elected President as Sandi ends her term as the director at the end of this year. All the directors need to be thinking of another director for a 3 year term as Sandi leaves.

By replying yes to this email, please quickly accept my resignation and nomination for Patrick, once he accepts (hopefully) I'll get our website and organization chart updated.

I can't place who Patrick is - does he have your mission statement the same? If you are happy with his choices I will respond yes. You put your heart and sole in MO-KC success and the kids learning - I hope that doesn't change Sent from my iPhone

If I can get Melinda's resignation in writing, I'd like to suggest Eric Rolfe as the new VP and he is willing to finish her term from 1/1/25 to 12/31/25 if Patrick is selected as President and she has to come off the board early.

so if i can get yes replies to all that, I'll update the website.
