

MO-KAN Bridge Academy

Summer 2024 Youth Bridge Lessons and Play

Learning bridge has been shown to improve academic skills! It helps improve social skills as well, as it is a partnership game!

Don't let your children sit at home alone with their video games this summer! Introduce them to a new, skill based game that has them meeting new friends and talking to each other! Parents and grandparents can attend with their children at \$5 each as well! Make it a family affair!

Sponsored in conjunction with the American Contract Bridge League (ACBL) and the ACBL Educational Foundation.

at: Holy Spirit Catholic
Church
1800 SW State Route 150
Lee's Summit, MO
